JULIA LITHERLAND

Modern Dance Tutor

Hi, I'm Julia! Dance has been my passion for over 21 years, and I fell in love with it during my teenage years when I started pursuing it more seriously. I grew up on the Kapiti Coast in Wellington, where I trained in a variety of dance styles. Throughout my early training, I earned high distinctions in Jazz, Hip Hop, and Contemporary dance, and was proud to be ranked in the top 12 in New Zealand at the NZAMD National Finals for both Jazz and Contemporary.

My love for dance led me to study at Ettinghausens Pro in Sydney, Australia, where I had the opportunity to learn from some of the top choreographers in the country. Since then, I've been fortunate to work professionally in the industry, participating in commercials, performances, and podium dancing.

Teaching has always been a passion of mine, starting at the age of 16. I'm deeply committed to helping children not only become skilled dancers but also to fostering their personal growth. My goal is to create a supportive space where students can discover who they are while pushing themselves out of their comfort zones. I strive to inspire and encourage each student to fall in love with dance and reach their full potential.
